SPRING VALLEY CIRCULATION OF NEWSPAPER HITS RECORD 4,151

Finishing touches are being put to the campaign for new readers under the sponsorship of the Spring Valley Welfare Assn. As soon as it is completely wound-up, the new campaign starts in the Lemon Grove area under the sponsorship of "Angels Unaware," the East County Chapter of the S.D. County Assn. of Retarded Children.

Fifteen names were added during the past week bringing the Spring Valley area total to 744 families who have participated in the program. The total

distribution of this newspaper in the Spring Valley area has reached 4,151.

Each week as these totals are published, a check is issued to the Spring Valley Welfare Assn. for an amount equal to a percentage of subscription cost to the newspaper. Since disbursement is made only after the subscription is paid, there is no chance for figures to be other than accurate in determining who has pledged.

The same process will be used (Continued on Page 4)

Assessor Headed For L. G. Area

A temporary branch office of the County Assessor will be open from 9 a.m. to 5 p.m. on Thursday and Friday, March 14 and 15, at the Youth Center, 3146 School Lane in Lemon Grove.

Assessor John McQuilken's deputies will be present here to assist property owner in filing Property Declarations and Veterans Exemption Claims.

L.G. School Override Tax Passes 62 Percent

The 1963 edition of the L.G. Elementary School District override tax election passed here Tuesday by a whopping 62 per cent.

More than 5,000 voters went to six polling places to give what is interpreted as a stamp of approval on the local school administration, trustees and teaching personnel. 3,127 voted yes; 1,940 said no.

A stake was teachers' starting salaries, now lower by \$250 a year than adjacent districts. Also on the line were summer programs, language classes and certain equipment used in teaching processes.

The passage permits the District to increase the ceiling on tax for operational expenses from \$1.65 to \$1.99 on \$100 of assessed property valuation. This tax is a fraction of the total county property tax rate.

Byron Netzley, district superintendent said, "It is gratifying that the 'no' votes changed only slightly from April until March. It (the election) was successful because voters who support the school program came out in greater numbers, as we hoped they would when we got the message to them. Now we can proceed with these solid programs."

"Trustees have said they would use great care in distributing these vitally needed funds so the youngsters will be eventual beneficiaries," Netzley added.

PARKING FOR LOCAL FIRM UNDECIDED

SAN DIEGO (CNS)—A Lemon Grove auto parts house parking request was delayed Tuesday by the Board of Supervisors.

Ervin E. Major requested rezoning for property at the rear of his business on Broadway near Buena Vista to allow parking.

After hearing protests from the attorney of Dr. Spencer Bell, a neighbor at the rear of the property, the board decided to postpone a decision until after they view the site.

Harry Ashfield, attorney for Major, challenged the objections of Bell, noting that all the other neighbors favor the parking as a benefit to the neighborhood.

Mrs. Helen Lennox, who owns 46 apartments across Pacific Avenue from the property, said the parking problem in the area was bad. She circulated a petition for the rezoning without being "solicited" by Major, she told the board.

L.G. WOMAN PLEADS DRUNK-DRIVE GUILT

SAN DIEGO (CNS)—A Lemon Grove woman has pleaded guilty in Superior Court to driving while under the influence of liquor resulting in an injury. She is Juanita Huyser, 41, of 1761 Colfax Drive.

The accident occurred in August on U. S. 101 near Anna st., S.D. Mrs. Huyser, he husband, Willis, 47, and Betty Hough, 44, of Pacific Beach who was in another car, were all injured and taken to the hospital.

The late evening accident happened after the Huyssers had left the OceanHouse. Mrs. Huyser admitted to police that she had had four beers. An analysis of her blood count showed an alcohol content of .277 per cent. The law considers .150 as intoxication.

Mrs. Huyser's probation hearing will be March 28. Trial had been set for Tuesday.

Vista Thriving Under Incorporation Remsburg Tells CC-Men's Groups

The newly-formed City of Vista is doing nicely, thank you, Everett Remsburg, veteran publisher-editor of the Vista Press, the newspaper which spearheaded the election, told a combined meeting of the L.G. Men's Club and L.G. Chamber of Commerce Friday.

The community of 20,500 which successfully incorporated in January, has two employees and, is contracting with the County of San Diego for continuing the services the County performed previously.

These services, such as police protection, planning and the like, will be furnished free to Vista until the city's receipts are enough to pay the County for them, Remsburg said.

Tax Already Collected

David Bird, County Supervisor, who was guest of honor at the meeting, said tax money had already been collected via regular tax bills by the County for those services so it was incumbent upon the County to perform these functions.

Remsburg said the incorporation campaign preceding the election created little animosity among the citizenry and the Vista Chamber of Commerce had "backed it 100%".

Bird said more than 80 cities in L.A. County were incorporated and all appeared successful.

He opined that Lemon Grove

Aids Community Spirit

"Incorporation develops community spirit and adds to the pleasure of living," Remsburg added.

R. Vaught, chamber president showed on a map that incorporation could be brought to two-thirds of the community leaving out areas which opposed incorporation previously.

Jim Spears, Men's Club president, said that he knew of no group planning to mount an election for incorporation.

Jack Cummings, program chairman, said the meeting Friday would be a continuation of discussions on incorporation.

The Men's Club meets every Friday at noon at Michael's.

It's Crazy, Man, Crazy

More Lemon Grove merchants are joining in Lemon Grove's biggest Crazy Days sale.

The event is called the First of April Crazy Days but it'll be celebrated March 28 thru 30. Some of the things shoppers will be able to get during the event will be:

1. A full meal for 50¢
2. Free saw sharpening... up to 10,000
3. Free credit card wallet-cases
4. Free insurance surveys
5. Free lube job
6. Free house of paint
7. \$49.50 power mowers for \$9
8. Free radio repair... and many others.

Said one merchant, "All merchandise is guaranteed as is. If it is not as is, it is not guaranteed. That gives the shopper an idea how c-r-a-z-y it's goin' to be here during Lemon Grove Crazy Days."

Shoppers are also advised to gather together their shopping money and hold it for the event because it'll be the craziest, savinest sale ever.

CARS EXPLODE, BURN

L. G. Family Of Five In Hospital At Hemet After Head-On Crash

All members of a Lemon Grove family are in Hemet hospital following a Sunday evening head-on collision near there for which the driver of the other car, who died, was blamed.

Mr. and Mrs. Vernon Block and their three children—Natalie, 13, Richard, 10 and Laura, 5—of 2305 Washington st., are off the critical list now, according to a neighbor, Mrs. John Obendorfer.

An unofficial report said that the driver of the other car was traveling at excessive speed and couldn't stay in his lane when he met a curve. Both cars exploded and burned.

It was reported that Mr. and Mrs. Block are both suffering from multiple head, face and neck injuries. Natalie, a student at Palm Ave. Junior High is in traction. One of her legs was broken in two places. Richard

had a leg broken in one place and suffered a badly bruised face. Laura suffered a concussion. She was expected to be released from the hospital late this week.

Both of the younger children attend Mt. Vernon School.

Disaster Aid For Blocks

A citizen's group is being formed to provide disaster aid for the Vernon Block family, it was revealed here Wednesday.

The first get-together of the group will be held this week, possibly on Friday under an emergency meeting arrangement of the L.G. Coordinating Council.

Citizens wishing to take part in the program may get time and place of the meeting by calling this newspaper. The phone number: 469-0101.

'Temptation of Christ' To Stay On Library Shelf

SAN DIEGO (CNS)—Three copies of "The Last Temptation of Christ" by Nikos Kazantzakis will remain on county library shelves.

The County Board of Supervisors Tuesday filed without comment the county librarian's report "strongly recommending" retention of the book that had been the subject of controversy for some week.

This has the effect of leaving the book in circulation. Removal of the book, said a report of the County Librarian, "would open the door to removal of almost any book with which some group of people disagreed."

The present controversy was caused, the report said, by an organized attempt by a small group "having the announced intent of securing its removal from every public library in southern California."

School Board Races Attract 21 Candidates In 5 Districts

Twenty-one candidates have filed petitions to compete for the school board seats in three races for five non-paying jobs in the local school districts.

The election will be held April 16 here and in other parts of the county.

County-wide there are 183 candidates in 44 school districts.

In the Lemon Grove elementary school district five candidates, including one incumbent, will run for two board positions.

Robert Sjogren, an attorney, is running for reelection.

Lyle H. Stumbaugh, a certified public accountant; Dr. Frank Phillips, a chiropractor recently involved in a book-ban project; Dean A. Bistline, a San

Diego district school teacher, and Dona Clabbe, a housewife who was connected with the Joe Shell meeting in S.D. last month are the other candidates.

Ray Lange, veteran trustee, declined to run for reelection because his job takes him out of town too often, he said.

10 Candidates Racing

In the Grossmont high school-junior college district ten candidates are racing for two seats.

Promises, Promises...

Part II

Continuing the appraisal of President Kennedy's presidential performance in light of his campaign promises, we see that only a fraction of his promises have been kept.

Recently we published a list of these variances as compiled by Newsletter. Here are some from his 1960 campaign pledges... and there are more to come.

PROMISE: "Let me say that I think it is extremely important that the United States maintain to the extent possible a sound fiscal policy and a balanced budget." J. F. Kennedy, Sept. 9, 1960, Seattle, Wash.

PERFORMANCE: The President sent to the Congress a record \$98.8 billion Federal budget, even topping peak expenditures during WWII and building up a \$27 billion deficit since he came into office.

PROMISE: (discussing freedom of information) "They (Roosevelt and Truman) took the American people into their confidence. They realized that these were challenging days for any free society, and it was incumbent upon the President, and only the President could do this, to set before the American people the unfinished agenda, the business, the things we must do if we are going to maintain our freedom and independence." J. F. Kennedy, Oct. 22, 1960, Kansas City, Mo.

PERFORMANCE: The Kennedy Administration has not only withheld information, but it has repeatedly sought to cover up unfavorable developments and mislead the American people. It has "managed" news and resorted to plain distortion when the truth came close to exposing double-talk.

PROMISE: "Collective bargaining has always been the bedrock of the American labor movement. Free collective bargaining is good for the entire Nation. In my view, it is the only alternative to state regulation of wages and prices... a path which leads far down the grim road of totalitarianism." J. F. Kennedy, Labor Day 1960.

PERFORMANCE: President Kennedy has, as in the dock strike, steamrollered the collective bargaining process, substituted Government force, badgering and threatening, to subvert collective bargaining processes.

PROMISE: "High priority will be given... to the platform plank calling for amendments to the immigration and naturalization laws to ban discrimination based on national origin." (Continued on Page 4)

IN THE 16th — Last Saturday near Buena Vista and Broadway this troupe of hikers was already in its 16th mile of a 50-mile hike attempt at about 11:30 a.m. By 8:35 Saturday night three of them had completed the mileage and others had dropped out at various stages along the way. The troupe consisted of (from l to r front) Barbara Becker, 50 miles; Sue Stivers, 50 miles; Mary Hannibal, 40 miles; Kitty McMullen, 22 miles; Pat Porter, 32 miles; and (l to r back) Evelyn Zintz, 50 miles, Mick Cronnister, 29 miles and Vickie Young, 22 miles.

Misses Becker, Stivers and Zintz, the three who went the full distance covered 50 miles in 12 hours and 15 minutes, a time comparing favorably with the best times made in 50 mile

hikes.

Miss Becker said she was somewhat surprised that she and the others covered the distance. She believes that people should practice first before attempting the full distance. Miss Stivers thought the venture "a lot of fun" and felt it was worth the effort just to know she could accomplish the feat. Miss Zintz said that hiking 50 miles was a "picnic" and that she didn't feel that she was pushing herself. She plans to try it again. The three had practiced the previous weekend whereas the others hadn't.

Mick Cronnister, the only boy to go along had an obligation to attend to and couldn't remain to complete his attempt.

His column this week is comprised of material he submitted prior to his illness.

His column will be resumed when he is able to "cover his beat" again.

EDITOR SUED FOR \$1,470,000

SAN DIEGO (CNS)—Former San Mateo has sued Simon Casady, editor-publisher of the El Cajon Valley News in a \$1,470,000 libel action.

Truck Motor Runs Hot

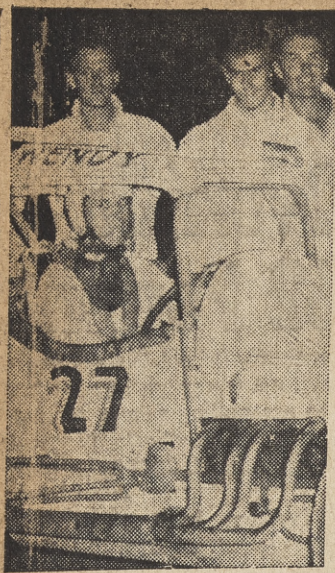

When a Monterey Heights man started up a new Ford Econoline panel truck Sunday evening at his home at 1727 Colfax, he soon found himself seated close to a very hot engine, according to the L.G. Fire Department.

The truck, which has its motor behind the driver's seat belongs to Smith's partner in business, R. Dice of 2571 Roseview pl., San Diego. Dice was in the truck too.

Brisk flames in the motor compartment evidently started when a leaky gasoline line was torched by the ignition, Assistant Fire Chief Fred M. Dixon surmised.

Both men soon found themselves leaving their hotspot for the cool comfort of the outside air and the fire department was called.

The engine compartment was almost totally burned out, firemen said. Damage was estimated at \$200.

RACE DRIVER LANE, in his car at Cajon Speedway last season, poses with pitmen.

Wendy Lane Starts Muffler, Speed Shop

Race driver Wendy Lane, owner of Streamline Plumbing and Hardware on Sweetwater just north of Troy has begun a second business—Streamline Muffler and Speed Shop—at the same intersection.

The new place is on Troy east of Sweetwater (8614 Troy) and is the third speed shop of any size in the San Diego area, according to Lane. Any kind of exhaust work and any kind of speed work is being done at the shop, which is in a brand new building. Also any type of mechanical work on any type of car is offered by the well-equipped place and a complete line of automotive parts is carried.

Running Streamline Muffler and Speed Shop for Lane are two speedy mechanics who are racetrack mechanics in spare time. They are Glenn Wilt, manager, of 5515 San Mateo, S.V., and Ron Freeman of 8804 Kenwood dr., S.V. They said the shop is open seven days and carries some new things in the speed line.

Lane is probably one of the better known drivers in the racing circuit that includes Cajon Speedway at Gillespie Field. He owns and drives a modified sports car. He and his family live at 8614 1/2 Troy st.

TUMBLEWEEDS MAY BE IN FOR IT AGAIN

Every once in awhile when a strong wind comes along and somebody is driving along one of the local roads, a monstrous tumbleweed will be whisked across in front of the car.

The driver, seeing the size and substance of the tumbling tumbleweed thinks that it is something that could be dangerous.

The same tumbleweed may come to rest miles away against a building with others of its kind. In the dry season of the year the merest hint of fire can turn tumbleweeds into an explosive torch.

The same tumbleweed may have grown up on a corner of a busy intersection. As it grew, motorists might have had more and more difficulty in seeing other cars. The tumbleweed might have caused an accident.

And the tumbleweed is unsightly and it's got numberless little stickers that will catch onto a person's clothing when he brushes by it.

For these and perhaps other reasons, groups in Spring Valley and Lemon Grove are thinking of forming the second annual battleline against tumbleweeds, also called Russian Thistle.

TAKE THE BIG STEP, BE A 50-MILE HIKER

Fifty-mile hikers are astonishing a lot of people.

At first it seemed that only strong and toughened service men could walk 50 miles. Lately when Boy Scouts and high school girls right in Lemon Grove accomplished the feat along with others of many ages in many parts of the nation, it brought out the fact that people have physical potential beyond what they believe they have.

Many who wouldn't dream of trying to walk 50 miles actually could do so. On the other hand probably most people have no desire to try the hike even if they think they could make the distance. The point is, just think of what the old frame can do if you want it to!

Some oft-repeated advice on "The Big Step Forward" or the "50-Mile Hike" is to practice up on short distances first—like 10 miles and 20 miles. This should be mentioned as long as we're on the subject so that we don't encourage anyone to take a "49-Mile Collapse."

But with practice walks you'll get into proper shape to become that human being with the nice car and the rock-hard leg muscles, the "50-Mile Hiker."

Tooth decay hits 4-8-year-olds and 13-18 hardest. Reason? Extracurricular nibbling.

Each local contest winner will receive from the County Fair a swim suit, an 8x10 portrait photo, a long formal gown, and a monogrammed sports outfit.

Westwind Riders Seek Members

The Westwind Riders, a group of horse owners, will have a social affair March 16 at 2 p.m. at Plaza Bowl in National City.

The group presents horse shows on the first Saturday of each month at Farrington Farms on Sweetwater rd.

Prospective members are asked to contact Mrs. Erwin Turkildson at 469-1684, according to Rose Blanchard, publicity chairman.

Utah ranks second in uranium production in the United States; Colorado is first, points out the Automobile Club of Southern California.

SENIOR CLUBBERS — When the Lemon Grove Woman's Club holds its 50th Anniversary Celebration on Friday of this week at the Main st. clubhouse, these three members

will be among the oldest members taking part in festivities. They are (l to r) Mrs. Mammie A. Patterson, Mrs. Rie C. Massey and Mrs. Dassah S. Newton.

L.G. Woman's Club Sets 50th Anniversary Celebration For Friday

Lemon Grove Woman's Club will observe its 50th Anniversary on Friday of this week at 1:30 p.m.

The big event at the clubhouse at 2810 Main st., will be themed by the song, "Memories Are Made From Things Like This." Club president Mrs. Ralph Richardson said 150 are expected at the celebration, which is also a Reciprocity tea.

Representatives of all women's organizations in Lemon Grove and Spring Valley and of all women's clubs in the Southern District Federation are to attend. Also Federation officers are to be here.

Guest of honor will be Mrs. C. H. Schellbach, 88, club founder and first president, who will speak. She founded the organization in 1912 but now resides in Chula Vista.

Also to be guests of honor are some of the other past presidents of the club.

A well-decorated anniversary cake will greet members and guests, all of whom will receive corsages as they come in the door.

On the program will be a presentation by the L.G. Woman's Club board of directors. Titled "Memories Are Made Of Things Like This" the presentation will be a series of skits depicting incidents during past club meetings. Carrying out the theme of the event members of the club have prepared a display of antiques, many heirlooms.

Hostesses will be Mmes. Servanda Sanchez, chairman; A. J. Henry, Mae Laverly, J. Tom Mitchell, H. Lee Nottingham, George Teigen and Miss Ruth Bell.

Mrs. Richardson said the club was admitted to the County Federation of Women's Clubs in 1913, one year after being founded by Mrs. Schellbach, was admitted to the State Federation of Women's Clubs in 1917, was incorporated in 1921 and, in 1950, was admitted to the General Federation.

In its early days the club met in the old house at Olive and Church that later became part of the L.G. Congregational Church.

Three of the oldest locally-residing members of the club are Mrs. Dassah S. Newton, president in 1929-31 and 1937-39; Mrs. Rie C. Massey, president in 1944-45 and Mrs. Mammie A. Patterson, current president of the club's Garden Section.

Mrs. Newton, the mother of J. E. Sonka has been a Lemon Grove resident since 1929. She formerly lived in the 7300 block on Central on a 7 1/2-acre ranch, later moved to 7536 Pacific ave., where she now lives. Mrs. Newton said that she has enjoyed belonging to L.G. Woman's Club "because of the cooperation of all the members and their willingness to work toward civic projects."

When Mrs. Massey came to Lemon Grove in about 1928 there were many orange and lemon groves and other agricultural enterprises, she recalls. She lived at first and for about six years on the old Skinner's Ranch that has long since been subdivided. The ranch contained 40 acres of lemon and orange groves, she said and was located in the southeast portion of this community near the Greenspot Park at Washington and Alton sts.

Mrs. Massey now resides at 7621 Lemon. Of the club's value in her life Mrs. Massey said: "I like all the ladies. We get along well. We've had good times and I have deep friendships in the club."

Mrs. Patterson, mother of Mrs. Hal Crow joined the club in 1935. She has lived in Lemon Grove 29 years in the same house at 8396 Golden ave. She said that she has especially enjoyed the Garden Club activities and likes the friendships involved in being a member of the club. She has probably lived longer in one house than any other member of the club.

Is a Cruel Farce," and "Did the Cat Get Their Tongues?" appeared in the paper in March 1962. Carolyn Pickering of El Cajon, was named co-defendant in the suit as the writer of a "Letter to the Editor" on the "Frances Record," which also appeared in March.

Frances asks for \$750,000 as general damages, \$350,000 as special damages, and \$375,000 as exemplary and punitive damages. He says in the suit that he wrote Casady a letter in April of 1962 demanding a retraction but that instead of a retraction, the news story about the demand was another attack on the assemblyman.

The suit says, "The publication which was so recklessly and carelessly published was calculated to and did embarrass, humiliate and disgrace the plaintiff." Frances is being represented by a San Francisco attorney.

Truth In Packing

Sen. Clair Engle, the Democrat's answer to Thomas Kuchel, is sponsoring a "Truth in Packaging" bill which we think is fine . . . as far as it goes.

Sen. Engle will eliminate such absurdities as "Giant Half-quart" on pint containers as the packager vies for your attention in a sea of equally preposterous packages.

He will require the weight to be printed on the front of the package in a conspicuous place and in a prominent manner . . . and without the benefit of qualifying adjectives. The Bill should be of tremendous benefit to homemakers . . . many of whom are credulous and ignorant in the field of arithmetic.

If they are not credulous and ignorant, why would they fall over each other buying the "Special" 13 oz. loaf of bread for "only 25¢" when they can get a full pound for 27¢. On the basis of a pound rate, the "Special" should sell for 22¢.

We heartily recommend to Sen. Engle that he add to the packaging regulations one that the weight or liquid measure content of the package should be divisible by 4. It would go far toward eliminating such impossible mental comparisons as the cost of the "Giant" size pint and 3 ounce container with the "Large" size 10 1/2 ounce package.

Look on your pantry shelf. If it is like ours you'll have, in a row, such containers as: 1 quart-14 oz.; 1 pint-2 oz.; 15, 13, 11, 10 1/2, 7 and 6 oz. containers.

Packagers may yell that it can't be done but if they can measure out those odd ounce amounts without difficulty, why couldn't they measure out 4, 8, 12 and 16 ounces with even more ease?

fear that taxes on real estate and interest on property loans will no longer be deductible from income taxes.

This is a false impression. Interest and taxes would still be deductible items on both rental property and private homes, although a change is proposed in regard to the latter. Briefly, a home owner now claiming local taxes and interest as deductions would itemize these along with all other claimed deductions. From the total he would deduct five per cent, then count the balance for tax deduction purposes.

It follows that a home owner could claim only 95 per cent as much deduction as before. But his higher taxable balance would be taxed at a lower rate. In all but rare instances the home owner would pay a smaller total tax. The average reduction for most salaried home owners, under the Administration proposal, would be more than 14 per cent.

Owners of rental property would list their interest and local taxes in a separate column, and deduct them as before.

I am grateful to your newspaper for making this explanation possible.

CONGRATULATIONS GIVEN FOR EDITORIALS BRINGING VITAL MATTERS TO VIEW

Dear Editor:
After reading your editorial on the travesty of justice which was rendered the General Motors Corporation by the referee of the State Unemployment Department, I am compelled to congratulate you for bringing this to the public, and also to request that this type of shocking bureaucracy by publicized every time that it happens. It is up to us Americans to demand that our freedoms as expressed in the Constitution are kept as such—that freedom from governmental interference, encroachment and confiscation be guaranteed.

In view of the foregoing may I voice a current complaint against the new federal and state tax reforms. This W-2 form which I am enclosing shows what can happen to the wages of one of our children when they seek a first time

SHOW AND DO — Present and potential leaders of Boy Scouting at all levels will further their scouting knowledge on March 9 when they attend the Grossmont Scout District "Showando", a day-long event to be held in the field by the Santee Fire Department.

"Showando" means "show and do", according to Field Scout Executive Peter J. Weingart, and two of the men who will

be doing most of the showing at the Scout leader mecca are Lemon Grovans Ray Bullock (left) of 3528 Citrus and Dale Kephart of 7616 Lansing. Bullock is camping or general chairman and Kephart is training chairman. In picture they are checking out a pack rack.

The "Showando" will start at 9:30 a.m. with Scouting skill events and will climax with a campfire at 8 p.m.

High School Students May Take Sacramento Legislative Tour

Assemblyman Richard J. Donovan announced this week that his office in National City would arrange a school tour of the California legislature for area high school students if there is sufficient interest. "My office has received so many inquiries about legislative activities that I thought such a tour might be appropriate for high school civics students, teachers, and such other students as might be interested," Donovan explained. "Many of the inquiries revealed an interest in the day to day operation of our legislative bodies as well as the overall picture of legislative procedure."

Family Club Formed By L. G. Bowlero

Lemon Grove and Mission Valley Bowlers are introducing a new idea in family recreation this week with organization of local chapters of Family Fun Clubs of America.

Families who join the club receive a pass entitling them to 40 free games of open bowling, special prizes on bowling equipment and chances to win prizes and awards at Family Fun Festivals. Memberships cost \$4 for the entire family, and are good until July 15.

Bowlero managers Jim Demers and Al Fazio say the new plan is part of a nationwide program designed to encourage families to play together and to make it easier for new families to learn to bowl. Bowling is now America's most popular indoor family sport.

Fun Club members can use their membership cards in several hundred modern bowling centers throughout the country. Clubs are also being formed at Victory Lanes in Pacific Beach and Solana Bowl in Solana Beach. Sunday, March 10, is the deadline to join.

"Herb Sichter has the details for the over all tour package worked out," Donovan went on. "The plane would leave San Diego at about seven in the morning and return at seven in the evening. This way, only one meal away from home is necessary. At least four adults should go along, preferably teachers or parents of some of the students. The total cost, exclusive of the meal, would be just under \$45."

Sichter added that time is limited since the Joint Committee on Schools cannot hold the date indefinitely. The legislature is in session until June 21, but the only school holiday on which they will be meeting is during the Easter vacation. "I know that \$45 is a high price for one day's education," Donovan said, "but it is very worthwhile. Perhaps some of the civic minded service organizations in the area can participate by helping with the funds. My office will be more than cooperative. Sichter can be reached at 474-2245 for any further information."

L.G. JUNIOR HIGH BAND, ORCHESTRA TO BE IN SPRING FESTIVAL

Lemon Grove Junior High School band and orchestra will participate in the Annual Spring Festival at Clairmont High School on Saturday. Last year the local students received superior ratings in all categories at the event.

CAHPER Sets P. E. Clinics

The San Diego Metropolitan Unit of Calif. Assn. for Health, Physical Education, Recreation is planning a soccer clinic Saturday, 9 to 12, at Crawford High School.

Soccer, which is gaining impetus in the schools, recreation departments, and clubs, will be highlighted.

In addition CAHPER is sponsoring a Gymnastic Clinic, Tuesday, at Crawford. The meeting will stress the presentation of skills, spotting and safety measures for uneven and Even parallel bars, balance beam, free exercise, tumbling, horse, and trampoline.

C.C. Slates Election For Next Meeting

The L.G. Chamber of Commerce at its regular monthly meeting Tuesday, geared itself up for an election of new officers and six new members of the board of directors.

Robert Vaught, retiring president, said ballots will go out before the next meeting so that members could choose from 12 candidates.

A nominating committee comprised of W. E. Smart, Charles Hesser, Larry Folda and Max Goodwin is in operation. The election will be held April 2.

New members voted on Tuesday included La Pinata, Weedman Carpets, Marty's Muffler, Keith's Record Den, E. E. Arganbright and Halzlip's Pharmacy.

The chamber in other action, turned down a proposition for a Los Angeles firm producing a community brochure; approved the leasing of an addressing machine, and took over the street-sweeping collection function hitherto held by Earl Warren.

The chamber also accepted "with gratitude" a contribution of \$100 from A. F. Sonka. A bank balance of \$1,165 was shown by Treasurer S. Perni.

LETTERS TO THE EDITOR

MILITARY EXERCISE IN SOUTH TO BE U.N., NOT U.S., SAYS UTT

Dear Editor:

By the time this report reaches you, there will be under way one of the most fantastic and, to me, truly frightening military maneuvers ever to be held in the United States. It is called "Exercise Water Moccasin III," and is just as deadly. These maneuvers will be held on a 2,500 square mile area of 1,500,000 acres, covering all of four counties and parts of four other counties in the state of Georgia, just south of Savannah. It will include the participation of sixteen foreign allied nations and involves guerrilla warfare, psychological warfare, and counter-insurgency.

The area, for lack of a better name, is called the mythical country of Claxtonia, a free-world nation. Claxtonia is to be invaded by foreign guerrilla troops, whose goal is to take over that mythical country. Opposing troops will be brought in by parachute-drop in an effort to resist this invasion. It seems impossible to get much information on these maneuvers from the Pentagon Intelligence, which denies any knowledge of this operation. Those in the know refuse to identify the sixteen foreign allied nations involved, nor can we determine the number of troops involved. They may be members of NATO, SEATO, or CENTO.

A form sheet came to my desk in response to many inquiries, but I cannot tell from this sheet which department issued it. The memo indicates that the operation will include six hundred personnel. Other authoritative sources say there will be three thousand personnel. If there are only six hundred, that would be one man for every twenty-five hundred acres, which is ridiculous on the face of it.

Backed By Propaganda
The cities, towns and villages, and the rural inhabitants of Claxtonia, are supposed to participate in this operation and will be targets of intensive propaganda campaign will be carried out by the counter-insurgency troops. This intensive propaganda campaign will be carried out by three local radio stations which will be supporting the counter-insurgent guerrillas of Claxtonia, and by two radio stations in Savannah supporting the invading guerrillas. The inhabitants of Claxtonia have been requested to take sides.

Having done so, they are to house, feed, keep and aid the guerrillas of their choice and transport them to ambush sites. The various cities are to either accept or repel the invaders. The psychological effect on American citizens placed in this position will be enormous.

These maneuvers will last for about three weeks. Signs have been posted throughout the area in five different languages. There will be foreign observers as well as a UN contingent.

It is my belief that this operation comes squarely under Article 43 of the United Nations Charter. This, of course, will be vehemently denied by the State Department, as was everything else that happened in Cuba, the truth notwithstanding.

We do not know whether African troops will be involved or not, but we do know that there is a large contingent of barefooted Africans that have been moved into Cuba for training in guerrilla warfare.

Who brought these Africans to Cuba? Was it the United Nations? Was it Russia? Or was it the United States? And are they being trained for the forthcoming invasion of peaceful Angola, which, with the knowledge and consent of the UN, has been subjected to murder, pillage and rape from bases in the central Congo instead of bringing peace to the world. The UN has brought war, and it has brought disgrace upon the United States.

With the subjugation of Katanga, you can look forward to seeing the UN move its "peaceful" forces into Angola, Northern Rhodesia, Mozambique, and the Republic of South Africa, simply because these countries desire self-determination rather than be subjected to the communist-infested UNITED NATIONS.

VAN DEERLIN SAYS FEAR ABOUT KENNEDY TAX PROPOSAL NEEDLESS
Dear Editor:

I have received mail from many persons, unnecessarily troubled by one of President Kennedy's tax proposals. They

employment in our modern society. It reveals the \$7.50 total earned in 1962, less 23¢ to Social Security, and \$1.35 to Withholding Tax. If Gov. Brown (D-Calif.) had his State withholding tax working, another 5% or so would come out of this salary. — Then, because the teenager didn't really owe any taxes, two separate tax forms would have to be filed to get back the dollar and seventy-two cents.

Our government cost is already at a hair-raising level, so to forestall hiring another State Tax Accountant, we have decided not to file for the refund. Instead, our bewildering off-spring is going to get the cash straight from her old dad; he figures it will cost all we taxpayers a little less this way.

Keep pounding out those editorials—they are terrific and we can't be exposed to them too often.

Very sincerely,
Dr. Robert E. Swenson

3. thence leaving said center line along said sanitation district boundary, South 89°10' West to a point in the Southern prolongation of that course in the Westerly line of said lot which bears South 0°34' West from the Northwesterly corner of said Lot 5;

4. thence leaving said sanitation district boundary Northerly along said prolongation and along said Westerly line to the Northwesterly corner of said Lot 5;

5. thence Northerly along the Northerly prolongation of said Westerly line to a point in the center line of Mt. V. N. Street, formerly Mallard Street, to a 40.00 foot street, as shown on said Map No. 1753;

6. thence Easterly along said center line to an intersection with a line which bears North 0°37' East, from the point of beginning;

7. thence South 0°37' West to the point of beginning.

(b) That said Sanitation District following said annexation shall continue to be known by that name;

(c) That the Board of Supervisors hereby sets Tuesday, the 26th day of March, 1963, at the hour of 11:00 o'clock A.M., in the Chamber of the Board of Supervisors, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place fixed for the hearing of objections to the annexation of said territory to said District, or to the extent thereof.

Coupon Book Firm Charged With Violating La Mesa Ordinances

A two-count complaint against a firm distributing coupon books containing "800 worth of free gifts and services" for \$6.99 was filed this week in El Cajon Municipal Court.

A warrant was signed Wednesday by Municipal Court Judge Alfred Lord.

Plaintiff is Donald Hammond, manager of Grossmont Center's Goodyear store. He charged that he entered into a contract with Ed Schulte, advertising manager for Red Carpet Service for coupons to give certain

free service. Part of the service was contingent upon coupon users purchasing two new Good-year tires.

Detail Omitted
Hammond said the coupon failed to indicate that a purchase was required for free balancing of two front wheels. The firm will honor the coupons anyhow, Hammond said.

Hammond signed the complaint against Schulte and the Q & E Advertising Inc. of 3268 Rosecrans, San Diego and 1240 E. Main st., El Cajon charging

two violations of the La Mesa Municipal Code. Alleged Code violations are Sect. 2021 failure of the firm to have a license for solicitation; and 2352 for selling coupons, or the like. Code provides that such cannot be sold, offered for sale, offered for delivery for sale such coupons in which the fee is less than 75% of the retail value of the merchandise. The El Cajon Court serves most east county communities including the City of La Mesa.

At least three La Mesa firms are represented by coupons in the Red Carpet books.

Two Types Of Books
Two types of coupon books are offered for sale at \$6.99 each. In addition to the one for "service," another is made up of "over \$290 in free meals and recreation." Several Lemon Grove firms are listed in the latter but there is no ordinance controlling the solicitation or distribution of such material in the County.

Jack Hale, finance director of

the City of La Mesa said Wednesday that he had been instructed by the La Mesa police department not to issue a license to the firm because of "discrepancies in their application."

Records show at Q & E Advertising Inc. was incorporated in Orange County Jan. 14, 1963 with 2,500 shares of stock at \$10.

Park Dana is listed as president; Norman Hamilton, vice pres.; Robert Murphy, secretary; and Kent Polly, corp. attorney.

Park Dana is also listed as Jack Puffenberger, Jack Warren Puffenberger, and Jack Dana.

Hammond said that he entered into a contract with the firm on Jan. 30.

Loss Set At \$500 Week-End Burglary Of La Presa Market

A back door was jimmied to gain entrance to Ralph's Market, 8903 Jamacha rd., S.V. Thursday. The market owner, Richard Myers, said that \$500 worth of food, cigarettes, sundries and money was missing. None of it was insured.

Sheriff's deputies found jimmy marks on the rear door and identifiable tracks but so far no suspects have been reported.

Included in the loot were 70 cartons of cigarettes; three shotguns, coffee, canned goods, candy, sundries, and a transistor radio.

The guns were listed as .410 Iver-Johnston; a 12 gauge Winchester pump and a 12 gauge Remington hammerless. \$45 in change was taken from a register.

Duster Stolen

An industrial dust collector, valued at \$1,000, was stolen from the premises of the West Coast Structural Beams, Inc., 6530 Federal blvd., during the week-end.

The loss of the contraption was reported by J. C. Ek, of 2829 Dennis ln., Lemon Grove Monday.

Ek said the assembly, consist-

ing of a blower, expeller, motor and housing had been placed in the firm's lot to be ready for installation this week in the new building.

The loss was not covered by insurance.

Happy Hour

Local police, trying to decide if they were to charge a 20-year old cook's helper with crossing over a white line with improper equipment, finally decided to have him booked at County Jail as a drunk.

They alleged that James Edward Bolstein, of 1625 Dupont dr., was staggering back and forth across the white center line in the 2000 block of Sweetwater rd. Sunday at 3 a.m.

He was equipped with a female on each arm. The girls were not booked.

Trustee Loses Watch

Robert Sjogren, the eminent director of the board of education of the Lemon Grove school district, told sheriff's men that the ladies gold watch containing four diamonds was missing shortly after it was laid on a coffee table in his home at 7627 Lansing dr., Lemon Grove.

Oranges Hurler

Oranges were the missiles used to break two 11" x 17" windows at the Spring Valley Chamber of Commerce building on Memory lane, Saturday, Mrs. Bessie Duncan, caretaker, told police.

The projectiles were hurled through the windows at 8:30 p.m. during a dance.

Too Much Libation

Harry Deskin, about 27, was jailed at midnight Saturday when police picked him up near Smokey's Crossroads described by the sheriff as having drunk so much alcoholic beverage that he was a hazard to himself.

Consumption was such that he was unable to give his address.

Check Bounces

A check issued to the Food Basket for \$20 was marked "closed account" and returned by the bank. It was for \$20 and bore the signature of Richard E. Haerle of La Jolla, police were told.

Check Forged

Mayfair Market was the victim of a forged-check passer after county-wide warnings had been issued by the sheriff's forgery detail.

The check was one of a book of them stolen from United Electric Co., 6933 North ave., Lemon Grove several months ago which resulted in one of the biggest forgery binges in recent county history.

The check was for \$176.67 and carried the signature of William Sikes.

No Place Like Jail

Deputy Sheriff R. Wibe found Wilbur Leinen, of 3962 N. Granada st., Spring Valley walking shirtless and allegedly intoxicated in the 10100 block of Sierra Madre st. at 3:30 a.m. Friday.

He told Deputy Wibe that he preferred jail to home so he was booked at County Jail.

Dainties' Missing

Jeanne Hiltz of 8661 Jamacha rd., S.V. complained to police that her underthings have been missing from her clothesline from time to time.

Her dainties, hung out at night to dry, have been found several short when she gathered them in the next day.

Too Young To Ride

Sheriff's Sgt. Lindsay and Deputy DePreist thought the

passenger appeared too young to be joy riding in the wee hours of the morning . . . and they were right.

The lad was a 17-year old Lomita Village youth who was charged with violating the curfew. But the driver, H. R. Richardson, 19, a navy trainee, had a rather weird story to tell.

He admitted that the 1951 Chevy was stolen, but he had some sort of a claim to it . . . his friend had sold it to a sailor a few weeks before for \$50 . . . and he "borrowed" it for a few days.

Officers learned the car was stolen during the routine check with headquarters as they questioned the two youthful riders.

Altered M.O. Rejected

Jack Spivak, manager of Ace Auto Supply, 7654 Broadway, Lemon Grove, told sheriff's deputies that an altered money order given to him by a customer was not cashable. The m.o. was returned to him after it was deposited at the bank with the firm's receipts.

The name "Carl Lee Lewis" had been inserted in the altered area. The m.o. passer cannot be located.

The challenging art of cashing checks without sufficient funds in the bank is being practiced in greater profusion locally, sheriff's records showed this week.

A person signing the name of Gene Lewis, using personalized Lewis Trucking checks, has passed checks at S.V. Thriftmart for \$25 and \$35. The former on a U.S. National bank; the latter on the S.V. Bank of America.

Also at Thriftmart, checks for \$10 and \$25 carrying the name of Rosemary Bowman, listed at 525 Parkbrook, S.V. were also unredeemable at the S.V. Bank of America on which they had been drawn.

Checks signed with the name of Beverly McDougall, 8112 Blossom ln., S.V. are bouncing back from the B of A. Two \$30 checks, together with a check previously issued are held in evidence at Thriftmart.

The S.D. Police Dept. told the sheriff's department that they too, are seeking the writer of checks signed by Beverly McDougall.

At Rancher's Market, 7203 Broadway, a check bearing the name of Otto F. Sallis, 7276 Central ave., L.G. was unredeemable.

Spring Valley Service, 8807 Troy st., S.V. complained that a \$15 check with the signature of Wayne T. Ford was not good at the S.V. B. of A.

The check writer gave \$875 Troy st. as his address but could not be located there, the sheriff's dept. was told.

A \$56 check for lumber issued to Star Lumber, 3604 Bancroft, S.V. was not good at a Bostonia bank, the sheriff's detail was advised. The check carried the signature of Edward J. Wolfe, 1385 N. Magnolia, El Cajon.

Telephones Tapped

A lock picker tripped the pay-off lever and gathered in \$56.05 from a telephone in a booth at the Midget Market, 2340 Bancroft st., S.V. Thursday.

PacTelco said \$9.63 worth of equipment and \$6.59 in labor were used to put the phone coin box back in working order.

A lock was also damaged on a pay phone in a service station at 9410 Jamacha blvd., S.V. the same date but no money was obtained.

STUDENT DIGNITARIES — Mt. Miguel student dignitaries are in this picture taken at the school's International Club Assembly last week. They are (from left) Mikko Phala of Finland and Noemi Chang of Panama, American Field Service exchange students attending Mt. Miguel; Jim Collins and Patti Long, who were named the outstanding boy and girl of the school during the first semester by the Pep Club and Ray Whitmus who

just returned from an AFS stint in Argentina as Mt. Miguel's foreign exchange student.

In back right is an Argentina flag sent to Mt. Miguel by the high school there that Whitmus attended. Mikko, Noemi and Ray hold "chains of friendship" on which is spelled out Argentina. Jim and Patti hold trophies presented them by the Pep Club and Patti also holds a banner sent by Ray's Latin alma mater.
